

Ref : 2024/MPCE/7  
Date : 4/1/2024

**To Whom It May Concern**

This is to certify that **Messers International Center for Geotechnical Studies (GEOTEST)** has executed the geotechnical studies required for the construction of the wastewater treatment plant of Al – shidyeh phosphate mines designed by our company and under our supervision.

They have conducted the work satisfactorily efficiently, the quality of the executed works was satisfactory.

We do not hesitate to recommend them for any similar nature works.

They were given this certificate upon their own request.
